TOO MUCH BLING

RUBIANO – ROSE COLORED LADY, BY FORMAL DINNER

Texas' leading stallion since 2013 and a top national sire with 15% SW/starters!

TOO MUCH BLING is among the most prolific sires of stakes horses in North America with a remarkable 15 percent stakes winners and 25 percent stakes horses. Among his recent stakes winners are **BLING ON THE MUSIC**, the \$95,000 sale topper at the Texas 2-Year-Olds in Training Sale who won two stakes and placed in a Grade 2 at Churchill Downs and then sold for \$260,000 as a broodmare; **DIRECT DIAL**, runner-up in the Tremont Stakes at Belmont Park and three-time Texas Stallion Stakes winner; **RUMPOLE**, a winner of three stakes in his first seven starts; and champion and multiple graded stakes winner **TOO MUCH TIP**.

His horses run early and they run fast – 10 percent of his 2yo starters are stakes winners and 21 percent are stakes horses. They also run for a long time – **SAM SPARKLE** (71 starts, \$509,013), **TEXAS BLING** (39 starts, \$406,072), **BLAZING BLING** (43 starts, \$383,535), **Blings Express** (78 starts, \$502,478), etc.

A three-time graded stakes winner and Grade 1-placed runner, **TOO MUCH BLING** won five of 11 starts and hit the board three other times while racing almost exclusively against graded stakes foes. He broke his maiden by an incredible 19 ½ lengths.

TOO MUCH BLING sired two \$100,000 yearlings at the 2017 Texas Summer Yearling Sale, one filly and one colt, and both were Texas-breds!

PEDIGREE CROSS INDEX

This Pedigree Cross Index allows a breeder to nick, inbreed or outcross his broodmares by easy reference. Indexed are the names of sires and dams included within the first three generations of all the stallions in the 2019 Stallion Directory.

Example: AFFIRMED - Charlie Barley, Mystery Storm, Peteski

In the above example, Affirmed appears in one of the first 3 generations of all the stallions listed after him.

Suppose a breeder has a mare that is a granddaughter of Mr. Prospector or has crosses of that sire in a mare's pedigree. He may want to breed her to a stallion with Northern Dancer blood to take advantage of the Northern Dancer--Mr. Prospector nick. By looking up "Northern Dancer" in this index, he can quickly see all the stallions in this register that have Northern Dancer appearing in one of the first three generations of their pedigrees.

If a breeder's mare is a granddaughter of Seattle Slew, he may wish to inbreed to that stallion and thereby get more of Seattle Slew's makeup in the foal. By checking "Seattle Slew" in the index, the breeder can readily find all the advertised stallions that have Seattle Slew in their pedigrees.

What if a breeder's mare is already inbred or linebred? She might have 2 or 3 crosses of Deputy Minister in her first four generations for example. The breeder may want to make sure the stallion he chooses for his mare has no Deputy Minister or no Deputy Minister up close in his pedigree. By looking up "Deputy Minister" in the index, he can readily see the stallions in this Stallion Register he should avoid for his mare.

FREQUENTLY ASKED QUESTIONS ABOUT THE ATB PROGRAM

Q: If my mare isn't accredited when she foals, can I still get the foal accredited?

A: Yes, if the foal meets the other requirements, and the mare is subsequently accredited. In order to be eligible to receive Accredited Texas-Bred (ATB) breeder awards, the mare must be accredited prior to foaling or be accredited by paying the supplemental accreditation fee before December 31 of the foaling year of the subject horse. Then, whenever her accredited Texas-bred foal places first, second or third in any race in Texas, you will be eligible for breeder awards. (Effective with foals of 2008.)

Q: If an accreditation deadline is approaching and I do not have my Jockey Club Certificate of Registration, will I have to pay more money to accredit the foal?

A: No, just send in the application and the fee and submit a copy of the papers at a later date. While the Texas Thoroughbred Association no longer needs to see the original Jockey Club certificate, we do need to see a copy (front and back) proving ownership of anyone in whose name that horse will race.

Q: If my ATB mare has been bred to accredited Texas stallions every year, but then I decide to breed her to non-accredited stallions two years in a row, will both of the resulting foals be eligible for accreditation if they are foaled in Texas?

A: Yes, however, the first foal by the non-accredited stallion will be eligible for 50% of Breeder Awards. The percentage of Breeder Awards for the second foal by the non-accredited stallion will be determined by the stallion to whom the mare is next bred. If the mare is bred to a Texas accredited stallion – 100%; if a non-accredited stallion – 50%.

Q: I have an ATB racemare. What do I need to do whenever I decide to convert her to broodmare status?

A: Complete a TTA Conversion Form and send it to the TTA office along with a copy of the front and back of The Jockey Club Certificate of Registration. The fee is \$30 for TTA members and \$100 for non-members.

Q: When I claim an ATB horse at the track, and the stewards transfer the horse to me, or I buy an ATB horse from a sale, why do I still need to do paperwork with the TTA in order to get my awards?

A: The track DOES NOT contact TTA when a horse is claimed or changes hands, nor do the sales companies. In order for the TTA to pay any Owner Awards, the new owner must file (1) a completed Transfer of Accreditation Report (this form may be found at www.texasthoroughbred.com), which gives TTA the proper name and/or partnership or stable name, the address to send the awards to, phone number in case we need to contact the new owner, etc., and (2) a copy of both sides of The Jockey Club papers (front side showing pedigree and markings/back side showing current ownership), which gives physical proof that TTA is paying the right person or partnership.

Q: Why do I have to submit a copy of The Jockey Club certificate each time I get a new horse?

A: The proof of ownership that we accept on the horse is (1) the Transfer of Accreditation Report which identifies the new owner and provides their tax information, and (2) the recorded, dated transfer of the horse on the back of The Jockey Club Certificate. This is what we accept in lieu of a bill of sale or any other legal document.

THE 2019 TEXAS THOROUGHBRED SALES FUTURITY

FILLIES DIVISION • COLTS/GELDINGS DIVISION

PURSE DISTRIBUTION:

60% to winner, 20% to second, 10% to third, 5% to fourth, 3% to fifth and 2% to sixth. 5% of nomination and sustaining payments from each division to be deducted and retained by the Texas Thoroughbred Association for administration of the Futurity.

SELLING OWNER AWARD:

\$5,000 from nomination and sustaining payments from each division to be deducted prior to purse distribution for the Selling Owner Award(s). The Selling Owner Award shall be paid to the Selling Owner of any foal of 2017 that passed through the ring at either the 2017 Texas Summer Yearling and Mixed Sale, the 2018 Texas Summer Yearling and Mixed Sale or the 2019 Texas 2-Year-Old In Training Sale that wins a division of the 2019 Texas Thoroughbred Sales Futurity.

If the winner of a division of the 2019 Texas Thoroughbred Sales Futurity passed through the ring at two or more of the 2017 Texas Summer Yearling and Mixed Sale, the 2018 Texas Summer Yearling and Mixed Sale and the 2019 Texas 2-Year-Old In Training Sale, the Selling Owner Award shall be divided equally between the selling owners of the horse in each of those sales.

If the winner of a division of the 2019 Texas Thoroughbred Sales Futurity is a sales graduate of the 2019 Texas 2-Year-Old In Training Sale **that was a late nomination (at \$5,000)** to the race, the Selling Owner Award shall be paid to the person making the late nomination.

If the winner of a division of the 2019 Texas Thoroughbred Sales Futurity did not pass through the ring at either the 2017 Texas Summer Yearling and Mixed Sale, the 2018 Texas Summer Yearling and Mixed Sale, or the 2019 Texas 2-Year-Old In Training Sale, the amount allocated for the Selling Owner Award(s) shall revert to the race purse for that division.

DETERMINATION OF FINALISTS:

The field will be limited to twelve starters. Order of preference shall be determined as follows: First preference is to horses accumulating the highest total earnings, second preference is to winners at Lone Star Park, third preference is to horses accumulating the highest total earnings at Lone Star Park and fourth preference is to winners. Earnings will be determined by information provided by Equibase Company at the time of entry.

ELIGIBILITY:

Any foal of 2017 that passes through the ring in either the 2017 Texas Summer Yearling and Mixed Sale or the 2018 Texas Summer Yearling and Mixed Sale, or is consigned to and subsequently passes through the ring at the 2019 Texas 2-Year-Old In Training Sale at Lone Star Park will become eligible for nomination and sustenance to the appropriate division of the 2019 Texas Thoroughbred Sales Futurity.

For **every** horse that passed through the ring at the 2018 Texas Summer Yearling and Mixed Sale, each consignor and each buyer will receive a **non-transferable** berth into either division of the race. Any Thoroughbred foal of 2017 is eligible to be sold in the sales and nominated to the Futurity. Additional berths must be filled with an Accredited Texas-bred Thoroughbred foal of 2017 that **did not** pass through the ring at the 2017 Texas Summer Yearling and Mixed Sale or the 2018 Texas Summer Yearling and Mixed Sale by the December 31, 2018 nomination deadline. Once a designated horse is nominated to fill a berth, ownership of that horse may be transferred with the horse still remaining eligible for the 2019 Texas Thoroughbred Sales Futurity. Total payment to start in the 2019 Texas Thoroughbred Sales Futurity shall be no less than \$2,250 per horse.

Horses filling consignor berths and buyer berths must be designated at the time the December 31, 2018 nomination payment is made. **Berths are non-transferable and must be filled with an Accredited Texas-bred foal of 2017.** There are no provisions covering substitution of a designated horse.

Consignor berths are for the owner of the selling horse at the time of the sale. Buyer berths are for the purchaser of the selling horse whose name the horse is transferred to at the time of sale. A Photocopy of the front and back of The Jockey Club Certificate of registration must accompany nomination payment, or eligibility of that horse in the 2019 Texas Thoroughbred Sales Futurity may be refused.

GOVERNING ORGANIZATIONS:

Any nomination accepted on a foal subsequently found not to be eligible may be cancelled with no liability to TTA or host track except the return of fees paid.

If a mechanical failure of the starting gate occurs, or if a horse is inadvertently left behind the gate when the field is dispatched during a trial, such horse shall be declared a non-starter and all nomination, entry and starting fees shall be refunded.

RACING COMMISSION RULES:

The owner or his agent signing nomination attests that he, and all persons for whom he is acting, have read and are familiar with the Rules of Racing and the regulations of the Texas Racing Commission and Lone Star Park at Grand Prairie race meeting conditions and agree to be bound by and comply with same, and with the acts and decisions of the Texas Racing Commission, Lone Star Park racing officials and the following terms and conditions:

Stable reservations and entries in stakes and all other races are received and accepted subject to rules of Lone Star Park at Grand Prairie. Failure by an owner and/or his agent to comply with stall allocations or entry eligibility rules, set forth by Lone Star Park at Grand Prairie, shall not constitute reason for return of nomination and sustaining payments. Said payments will remain in the purse.

Nominations or subscriptions to this Futurity may be refused or cancelled, without liability, at any time prior to the actual running thereof, except for the return of any nomination and sustaining fees paid.

The TTA reserves the right to cancel, postpone, or change the conditions of all or any part of the race for any reason which it deems good and sufficient.

Participants are required to be TTA members from time of nomination until the race is run.

If a horse is leased, both lessor and lessee must be members in good standing of TTA. In a partnership or syndicate, one of the partners or the syndicate manager must be a member in good standing with the TTA. (A member in good standing being one who has paid current membership dues and has no delinquent account with TTA. TTA offers varied membership packages. Please call 512-458-6133 for more information.) In the event that a nomination fee or sustaining payment or entry fee is made with an insufficient funds check, the horse is automatically ineligible.

Closing dates to nominate are final. If entries and sustaining payments are mailed, they must be postmarked no later than midnight of the date due.

Original nomination payment and all sustaining payments are to be mailed to:

Horse Owner, Stallion Owner & Breeder Awards

Definitions as per the Texas Racing Act:

1. "Horse Owner" means a person who is owner of record of an accredited Texas-bred horse at the time of a race.
2. "Breeder" of a foal is the owner of the dam at the time of foaling as stated on the foal's Jockey Club certificate of registration.
3. "Stallion Owner" means a person who is owner of record, at the time of conception, of the stallion who sired the accredited Texas-bred horse.

To encourage the breeding of horses in this state, any accredited Texas-bred horse finishing first, second or third in any race in Texas (either in open or restricted company) may be eligible for Owner Awards, Breeder Awards and Stallion Owner Awards.

Owner Awards ARE NOT paid on stakes races restricted to accredited Texas-bred horses. However, 10% of the total breakage is used to assist in funding the purses for these restricted stakes. Breeder Awards and Stallion Owner Awards ARE paid on restricted stakes races.

Funding for awards is derived from the breakage and 1% of all multiple (i.e., exotic) wagers at each Texas track.

Owners Bonus Award

Legislation passed in 2001 amending the Texas Racing Act has created an Owners Bonus Award to be paid to owners of accredited Texas-breds finishing first, second or third in open-company races in Texas effective January 1, 2002. This will be over and above the regular Owner Awards paid on these races. These awards will come from a deduction off the top of the available ATB awards fund for a meet. In 2002, this will equate to 10%, increasing annually by 2.5% to a maximum of 25% in 2008. The remainder of the ATB awards for the meet will be distributed as follows:

Benefits to "Horse Owner"

40% is allocated to owners of the accredited Texas-bred horses who finish first, second or third in any race in Texas.

Benefits to "Breeder"

40% is allocated to the eligible breeders of the accredited Texas-bred horses who finish first, second or third in any race in Texas.

Benefits to "Stallion Owner"

20% is allocated to the owner of the accredited stallion standing in this state at the time of conception and whose annual administrative fees were paid for said breeding season whose accredited Texas-bred finishes first, second or third in any race in Texas.

Racing Opportunities

On every racing day, an association (track) shall provide for the running of at least two races limited to accredited Texas-bred horses, one of which shall be restricted to maidens.

Definition: Accredited Texas-Bred Thoroughbred

An accredited Texas Thoroughbred is a horse registered with The Jockey Club, accredited with the breed registry and foaled in Texas, out of a mare accredited with the Texas Thoroughbred Association who is permanently domiciled in Texas. A foal by a non-accredited stallion whose dam is not next-bred to an accredited Texas stallion will be eligible for 50% of the allotted Breeder Awards.

Definition: Accredited Texas Thoroughbred Mare

An accredited Texas mare is a mare registered with The Jockey Club, accredited with the Texas Thoroughbred Association and permanently domiciled in Texas except for racing and breeding privileges (i.e. she may leave the state to race or be bred but must return to Texas by August 15 to resume domicile and foal). Annual reproductive activity of the mare must be reported to the Texas Thoroughbred Association in writing.

Definition: Accredited Texas Thoroughbred Stallion

An accredited Texas Thoroughbred stallion is a stallion registered with The Jockey Club, accredited with the Texas Thoroughbred Association and standing in Texas.

The Texas Thoroughbred Association requires notification in writing within 10 calendar days each time the stallion leaves or enters the state of Texas.

A photocopy of the annual "Report of Mares Bred" shall be submitted to the TTA office on or before the date required by The Jockey Club (August 1). Stallion owners are eligible to receive Stallion Awards only from offspring sired in Texas after the stallion has become accredited with the Texas Thoroughbred Association and applicable administrative fees have been paid.

Important Conditions of the Accredited Texas-Bred Program

1. For the purpose of ATB owner awards for Accredited Texas-Breds racing under a lease agreement, a TTA lease agreement must be on file with the TTA.
2. Breeder Awards will be paid only on an Accredited Texas-bred Thoroughbred whose dam was accredited with the TTA either prior to foaling the subject horse or within the same calendar year of foaling the subject horse. (Beginning with foals of 2008.)
3. Fees Non-Refundable – Accreditation fees are non-refundable after a work order has been assigned to an eligible entry. If a horse is ineligible, the fee shall be refunded to the applicant.
4. Racing Stock Conversion to Breeding Stock – Any Texas-bred horse who becomes breeding stock must be converted with the TTA to an accredited mare or stallion.

Note: A person is not required to be a member of the Texas Thoroughbred Association to receive a monetary award under the Accredited Texas-Bred Program.
